SUNDAY, 26 March — HIPICO Santa Fe, Buho Indoor Arena**A Test That Stands Out With the Judges! For All USDF Levels Introductory Through FEI**

For everyone who enjoys competing or watching competitions. Kristi will work with each rider to help them develop and correctly enhance their mastery of the level at which they compete. Kristi has been judging dressage since 1997. She has judged many CDIs and CPDs around the world, including two times the World Championships for Para Dressage. She has judged the USDF National Championships numerous years and many Regional Championships around the country. As one of the most experienced, well-respected judges in the world, Kristi brings an in-depth understanding of the successful components of a test and biomechanics involved in being a winning rider in the sport. She will help each rider have better insight to the development of the levels and the approach for each test.
